

Self-assessment Sheet

Unit 5: Reflective Essay and Portfolio

	Poor	Low	Satisfactory	Good	Excellent
1. Write to learn and to communicate what I learn.					●
2. Negotiate my own writing goals and audience expectations regarding conventions of genre, medium, and situation.				●	
3. Formulate and articulate a stance through and in my writing.					●
4. Revise my writing using responses from others, including peers, consultants, and teachers.					●
5. Generate and pursue lines of inquiry and search, collect, and select sources appropriate to my writing projects.					●
6. Effectively use and appropriately cite sources in my writing.					●
7. Explore and represent my experiences, perspectives, and ideas in conversation with others.				●	
8. Use multiple forms of evidence to support my claims, ideas, and arguments.					●
9. Practice critical reading strategies.					●
10. Provide revision-based response to my peers.					●
11. Reflect on their writing processes and self-assess as a writer.				●
